

Small Car Rules

1. If you break a rule, you lose that rule.
2. All glass, chrome molding, hood latches, gas tanks, and rear seats must be removed before cars arrive at the fairgrounds.
3. Stock type hood must be used. Hoods must be open for inspection. Hoods must be secured in 6 places with wire only.
4. Helmet, seatbelt, and eye protection must be worn at all times.
5. THE DRIVERS SIDE SEAT BELT MUST BE IN WORKING ORDER.
6. Gas tanks must be relocated behind driver's seat, securely fastened and covered. Any visible leaking fuel will result in automatic disqualification. All plastic tanks must be in steel enclosure.
7. The judges' decision is final. We may reject any or all entries at any time. Cars are subject to re-inspection at any time.
8. Wheelbase is not to exceed 108 inches.
9. Four cylinders and front wheel drive V-6.
10. Two-wheel drive uni-body only.
11. Any size tires round and black.
12. Bumper height's maximum is 21 inches and minimum of 16 inches.
13. If does not say it, do not do it.
14. Absolutely no welding on anything other than the cage, doors, and trunk lid/hatch.
15. Plates that attach the gas tank and battery box cannot strengthen the car.
16. No kickers of any kind.
17. You absolutely cannot add any metal to strengthen the car.
18. Cars will be checked inside the fenders and the rockers. Will be drilled or cut open if needed.
19. Back bumpers can be run, but must be welded on the bumper shocks only. Cannot be welded or bolted to the body.
20. Front bumper shocks can be modified, but cannot be over 12 inches long. Maximum 1 1/2 inch material.
21. No plates added to the bumpers or anywhere else.
22. Trunk has to have a 12-inch hole.
23. Factory radiators only. No homemade allowed and cannot be used to strengthen the car.
24. Cage inside the car can have 6-inch gussets in the corners. Door bars cannot go more than 6 inches past the door past where they are welded at. Bars must be at least 6 inches off the floor. No material bigger than 4x6 inches.
25. You can run a slip shaft.
26. Trailing arms can be lengthened or shorten but no extra metal added.
27. Need 2 front windshield bars.
28. No sub-frame connectors.
29. **No plates of any kind. Do not call and ask.**
30. No AMC Pacers.
